D.R. make Label add to Svc Tip mailing list

Mr. P. H. Grim

Subject: Service Tip Information.

Attached is copy of a letter from Charles E. Christensen, Automotive Instructor, San Mateo High School, San Mateo, California.

Please place this school on our mailing list and send copies of all our passenger car tips 1 to 35, inclusive. You might also send a copy, if available, of our disc brake service procedures and our booklet "Traffic Accidents Mount". Any further information I'll leave to Rick Hoff's good judgment.
