s to the more over- and under-passes
n turn, would be provided to allow a cess
county to the parkway

2 —Construction of a new route
arkway to connect the new road from a
through point just north of El Dorado

the old capitol gate near the foot
of the Carmel Hill This would be
a secondary road, 'a good county
road," or foothills boulevard

3 — Continuation of this road
along the 300-foot level through
the Presidio of Monterey to the
southerly limits of Pacific Grove

5 — Development of secondary
roads paralelling the parkway to
handle strictly local traffic

6—Construction of a shore road
from Fort Ord along the sand

concerned more with providing
easy and adequate crossing than
with building a so-called freeway,
the engineers said

They also looked on their proj-
ect with a keen sense for preserv-
ing the natural beauty of the area,
they told the city officials present

Their plan proposed overpasses
across the parkway at Washer-
woman's Bay, north of El Dorado,
the Capitol Gate and Carmel and
drew some favor over the state

feeder road across El Estero to
connect downtown Monterey with
the proposed parkway at Wash-
erwoman's Bay also won consid-
erable favor from the group pres-
ent last night

In introducing his engineers, S F B Morse said "We asked the firm to attack the problem from a community-wide basis, to determine what is best for the entire Peninsula We did not want just a 'Del Monte study' since only

ly the same

He said det
