ALKYD GLOSS ENAMEL

# SATSUMA

CONTAINS NO LEAD PIGMENTS

A quality alkyd enamel that is extra-durable and offers you finest results on wood or metal, inside or out. Exciting colors bring lasting beauty to any item or surface with an ease you never dreamed possible! When brushed on wall areas, woodwork and furniture it usually covers in one coat, drying hard within four hours. And, you will be pleased how brush marks melt away, giving your work a gleaming store-fresh look. Lead-free formula makes this enamel ideal for nurseries, playrooms and toys. A long wearing, moisture resistant finish for bathrooms, kitchens, porch and lawn furniture, outdoor equipment.

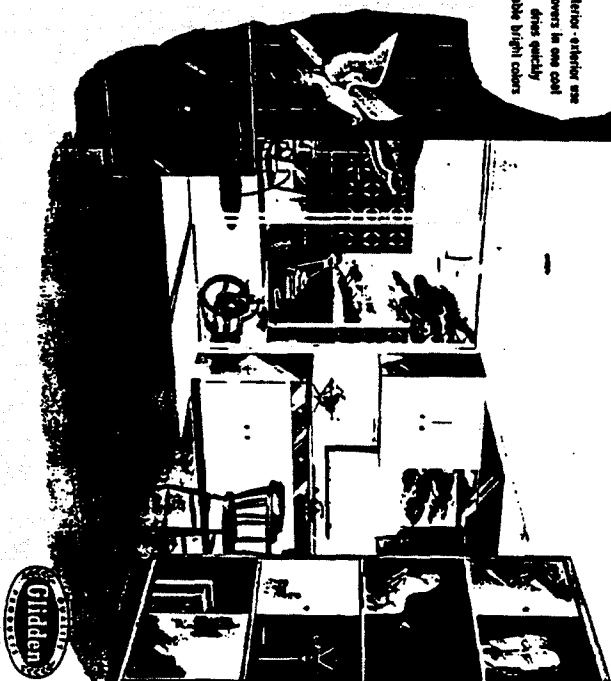

#### JAPALAC SPRAY ENAMEL

Several colors including Aluminum, Gold, Copper tones are available in non-clog nozzle spray cans for handy instant spraying of intricate objects, accessories, toys, etc. Ideal for painting window shutters, picture and mirror frames, wickerwork, porch and lawn furniture. Bring new cheer to your home with JAPALAC Spray Enamel.
