# OWENS-CORNING FIBERGLAS CORPORATION

EXECUTIVE OFFICES TOLEDO, OHIO

January 20, 1941

Dr. Leroy U. Gardner, Director,
The Saranac Laboratory,
Saranac Lake, N. Y.

Dear Dr. Gardner:

Thanks so much for your letter of January 17. It is indeed good news to hear that you do not feel you will encounter any evidence of an asbestos-like reaction since none of the fiber reaches the interior of the lungs.

Very truly yours,

OWENS-CORNING FIBERGLAS CORPORATION
