1. Thank you.

2. Thank you. We should be back by lunchtime.

3. Understood. If that changes, please let me know. Would be wonderful if Lincoln could travel with him.

4. Thank you.

5. This is great. When able, kindly send the attendees and address of farm. Although, I suppose that may come with the contact info when you send it over. This will be 10 minutes from Grand Forks, correct?

Thanks so much Levi.

2. That would be fine. I'll get you the contact information for both the farm and EERC in grand forks. I'm flexible after 10a tomorrow to do all of the Fargo walk throughs
3. Given the admin (plus security detail), governor, senator, and congressman all flying together, we'll likely be full. I still need to confirm which plane we'll take and its capacity but think it would be wise to plan for Admin + 1 at this point.
4. FAR; GFK
5. We'll be doing a brief stop at the Bateman family farm (10 minutes away from airport on our way to EERC) to allow admin to meet with group of commodity group leaders.

Levi,

It was great to catch up with you.

I will look for the following items from you.

1. Address of Governor's condo.
2. Times for walk-throughs.
 - a. Could we actually start the morning in Grand Forks then finish the day in Fargo? An 8AM or 9AM appointment in Grand Forks would be great. I understand you would not be able to attend.
3. How many folks on the plane. Just the Administrator and his one security detail? Kindly let me know if there is room for his body guy as well.
4. FBOs for the airports.
5. Information on the additional stop.

Thank you so much,

Millan
