

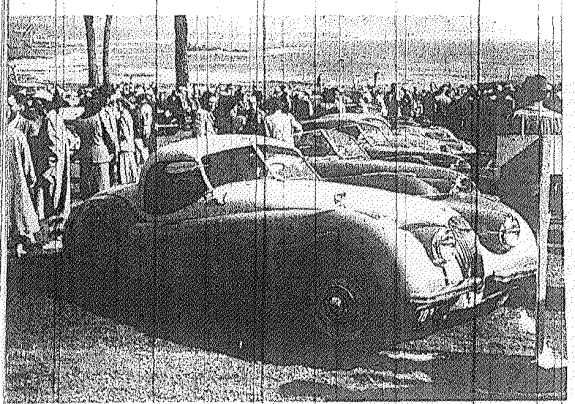
Lucius Beebe, auteur, gourmet and publisher, will act as one of the judges for the Concours d'Elegance tomorrow on the lawn of the Del Monte Lodge. He is shown here with his dog, "T-Bone Towser," and his Rolls Royce.



Spectators gather around foreign and sports cars during a Concours d'Elegance in front of the Del Monte Lodge. This year's Concours will be held tomorrow between 11 a. m. and 5 p. m. A total of 138 cars have been entered and another 50 have been turned away because of a lack of space.

Packed on the lawn in front of Pebble Beach Lodge, foreign and domestic cars are the focus of attention during the Concours d'Elegance, an annual feature of the Pebble Beach Sports Car races. Thousands were on hand for the event last year.
