DU PONT HOUSE PAINT

cleans itself!

That "just-painted" sparkle lasts and lasts when your house is painted with Du Pont House Paint! A special blend of pigments and oils, it actually cleans itself each time heavy rain! Normally, this "self-cleaning" starts within a few months. However, excessive soot or heavy shade, or stains from metal surfaces such as copper screening, may interfere with or delay this process. Your Du Pont dealer or painter will be glad to tell you how this "self-cleaning" process works in your area.

Assure your home of long lasting beauty. Insist on "Self-cleaning" Du Pont House Paint in white or popular tints. And here's another tip: Do have wood or badly weathered surfaces, start with a coat of Du Pont House Paint Primer for maximum performance of the finish coat. For best results, ask your Du Pont Paint dealer to recommend a reliable paint contractor.
