...back from the laundry. But the average luggage provides only thirteen and a half inches in packing space. So the poor man who wants to take three shirts on his trip, has to pack one on top of the other.

But by the addition of a single inch in the width of a weekend case, shirts can be packed the short way, next to one another.

Women's cases have been adjusted, too, so dresses can be packed the short way. Suit jackets can be packed more smoothly. Wardrobe cases with hang-ins, have added compartment, non-crease facility, because of new measurement.

Yes, these cases are airplane weights. In fact this new dimension luggage is made by the company who worked out an airplane construction way back in 1928.

For information phone Babette, SUtter 1-2421 between 9 and 6, or write The Examiner.

Luigi Silva, internationally known cellist, who has been vacationing in Mill Valley, will appear at the opening concert and other artists scheduled during the series include Robert Alpeltone, baritone, Virginia Morgan, harpist; the San Francisco String Quartet; the English vocal duo, Viola Morris, soprano, and Victoria Anderson, contralto, and Mill Valley's own celebrated pianist, Maxim Schapiro. The season closes March 8.

Designed to create fresh opportunities for the talented musician who lives in the Bay Area; for the young and exceptional artist whose career is just beginning, or for the artist visiting or vacationing in this area, the concert series is also sponsored by the Outdoor Art Club, a member of the California Federation of Women's Clubs.

Mrs. Rodney Hartman heads the women's committee, whose members include Mesdames Delmar Smith Clinton, Robert Elliott, Al. S. Giesecke, Blyth Adams, Louis Morcrit and J. A. Quistgaard. Maxim Schapiro, music chairman, will be assisted by Mrs. Louis Wassermann, John Ludlow and Mrs. Morcrit.

Tickets may be secured through Mrs. Eugene Bride of Mill Valley.

Cool Combination

GRAPEFRUIT JUICE may be combined with ginger ale and ice for a cooling drink.

Chef's Hair With Chicken

FILLETS of chicken are delicious luncheon fare. Not at all involved in the making, they'll give your own home luncheon a chef's touch that can be obtained only at the best hotels.

Chicken Morengo is another specialty for luncheon service. Chicken Madras is, of course, "out of this world." This latter is the recipe that uses cantaloupe with a boiled rice filling, topped with broiled, or fried, chicken topped with curry sauce. Sounds "wicked?" It's delicious.

These three chicken recipes are specialties for fall luncheons and are available to anyone sending a stamped, self-addressed envelope to Prudence Penny with this request.

Pie Topping

SPRINKLE A cream pie with a mixture of orange rind and sugar; this combination is also delicious when used as a topping for plain vanilla cookies.
