Dear Sirs:

The date of February the 2nd, which had been suggested for the Annual General Meeting of the Association, has now been changed to February the 12th, which date seems to agree with most of the Directors. We hope that this second revision will not inconvenience you in any way.

The meeting will be held at the Mont Royal Hôtel, at 10.00 o'clock in the morning.

Sincerely yours,

Paul-A. Filteau.
