1) On Saturday, August 16, the EPA mailed questionnaires to known and suspected users of PCBs. Questions relating to location of use, type of use, amounts consumed, amounts recovered and recycled, amounts destroyed, amounts imported must be answered for the years 1971 to year-to-date. Basis for this request is Section 308, P.L. 92-500.

2) Senator Edward Kennedy, Democrat, Massachusetts, has sent a wire to EPA Administrator Russell Train calling for action on PCBs.

3) The EPA group which met with Mr. Train on Thursday, August 14 is scheduled to meet with him again on Friday, August 22 to review a press statement scheduled for release on Monday, August 25.
