As part of the preparation of the PCB Emergency Plan in January of this year, we were asked to compile a contact list of our U. S. customers to be used if the Emergency Plan ever comes into force. Attached is your copy of this list which indicates in the left-hand corner, the contact to be telephoned at the User Location and the Corporate Headquarters address for mailing a follow-up confirmation in the right-hand corner. Please attach this to your copy of the PCB Emergency Plan.
