Attention: Mr. Manfred Bowditch
Field Director

Gentlemen:

Your letter of July 16 indicates that you would prefer to have a preliminary discussion at our plant before the symposium to be held next month at Saranac Lake.

In discussing your request with our management, we have been privileged to extend an invitation to your Mr. Urban to visit here some day during the week of July 28 to August 1. We would suggest for your consideration Tuesday, July 29, as this date appears to be the most satisfactory for the various persons who should convene with him.

Please advise if this date is satisfactory to you so that we may plan accordingly.

Very truly yours,
THE RIVERSIDE METAL COMPANY
