

INDUSTRIAL HEALTH FOUNDATION EXHIBIT LIST

Exhibit Number	Date	Description	
IHF- 0001	350115	Letter dated Jan. 22, 1935, to M. F. Judd from V. Brown with attachment: Memorandum Re Mellon Institute of Industrial Research Symposium on Dust Problems-Pittsburgh-Jan. 15, 1935	
IHF- 0002	350130	Letter dated Jan. 30, 1935 to V. Brown from General Manager	
IHF- 0003	361204	Letter dated Dec. 4, 1936 to C.M. Stover from V. Brown	
IHF- 0004	361208	Letter dated Dec. 8, 1936 to Members of the Asbestos Industry from C.M. Stover with attachment: Application for Membership of the Air Hygiene Foundation of America, Inc.	
* IHF- 0005	371100	Article entitled "Dust Control Through Organized Research" by W.G. Hazard reprinted from Safety Engineering Magazine, Nov., 1937	
IHF- 0006	390100	Air Hygiene Foundation of America, Inc. Preventive Engineering Series, Bulletin No. 2, Part 8, Routine Sampling for Control of Atmospheric Impurities, Jan., 1939	
IHF- 0007	390124	Regarding Income Taxes; from the Air Hygiene Foundation of America; 1/24/39	
IHF- 0008	390124	Regarding Income Taxes; from the Air Hygiene Foundation of America; 1/24/39	
IHF- 0009	390124	References to Recent Literature on Industrial Diseases; Air Hygiene Foundation of America; 1/24/39	
IHF- 0010	390223	References to Recent Literature on Industrial Disease; Air Hygiene Foundation of America; 2/23/39	
IHF- 0011	390224	Note to Members, H. B. Meller, Managing Director, Air Hygiene Foundation; 2/24/39	
IHF- 0012	390323	References to Recent Literature on Industrial Diseases; Air Hygiene Foundation of America; 3/23/39	
IHF- 0013	390422	References to Recent Literature on Industrial Diseases; Air Hygiene Foundation of America; 4/22/39	
IHF- 0014	390427	Note to Members of the Air Hygiene Foundation of America, Inc. dated April 27, 1939, from H. B. Meller with attachment: Research at Mellon Institute during 1938-1939	
IHF- 0015	390608	References to Recent Literature on Industrial Diseases; Air Hygiene Foundation of America; 6/8/39	
IHF- 0016	390608	Note to Members; from H. B. Meller, Managing Director, Air Hygiene Foundation of America; 6/8/39. Enclosed: "The Comparative Values of Chest Roentgenograms made on Film and on Paper for Industrial Surveys"; by the Air Hygiene Foundation of America; June 1939	
IHF- 0017	390713	References to Recent Literature on Industrial Diseases; Air Hygiene Foundation of America; 7/13/39	
IHF- 0018	390800	Foundation Facts, Vol.1, No.1; August 1939	
IHF- 0019	391100	Foundation Facts, Vol.1, No.4; November 1939	
IHF- 0020	400418	Note to Members of the Air Hygiene Foundation dated April, 1940, with attachment: Report on New England Health Institute, Meeting Held at Hotel Bond, Hartford, CT, April 17 and 18, 1940	
IHF- 0021	400400	Foundation Facts, Vol. 2, No. 4; April '40	
IHF- 0022	400400	Note to Members; from Air Hygiene Foundation; April '40	
IHF- 0023	400500	Foundation Facts, Vol. 2, No. 5; May 1940	
IHF- 0024	401113	Note to Members of the Air Hygiene Foundation dated Jan., 1941, with attachment: Proceedings of Fifth Annual Meeting of Air Hygiene Foundation of America, Inc., Nov. 12-13, 1940	
IHF- 0025	410800	Foundation Facts, Vol. 3, No. 8; August 1941	
IHF- 0026	410900	Digest of Industrial Hygiene, Literature, News, Development; Industrial Hygiene Foundation; September '41	
IHF- 0027	410915	The Manufacturers Association of Connecticut, Hartford General; Bulletin No.837, Attention: Industrial Nurses - "Trained Attendants"; 9/15/41
