Ray, I am pleased to appoint you as the first Chairman of the Safety and Housekeeping Action Committee (SHAC). On your Committee will be John Rasmussen, Leonard Schwab, Jim Bolton, Bob Maute and Charlie Gilmore.

As you know, our safety program this year emphasizes people involvement. Therefore, SHAC's first assignment will be to implement the new safety organization working toward achieving an accident-free, injury-free plant.

Good luck and I look forward to meeting with you periodically to review progress.
