All orders for PCT-based products must not only be dispatched before March 31 but must also be billed to customers before March 31.

The PCT products are: Aroclors: 1221
5432
5442
5460
6000 series
Montar 5

Will Clark has advised that he is in touch with Monsanto Europe on this subject. We also touched base with Monsanto Australia on a number of their orders, including one to New Zealand.

Please have the Correspondents review their orders and ask them to stay aware of this situation. If there are any questionable orders or problems, I'd like to review them with you.

Thanks for your help.
