Attn: Mr. Gerry Hughes

Dear Mr. Hughes,

J-M Manufacturing is attempting to compile an improved, more accurate, specification outline for the Chrysotile white grade No. 4 & 5 asbestos fiber.

This will enable us to simplify our work efforts and minimize any future problems, which can arise, between the Purchasing Department and the vendor.

We have enclosed a copy of our "Draft Specification" on the grade no. 4 fiber.

Please review and upon completion, would you give us your detailed comments concerning the following;

a. Draft Specification of grade no. 4

b. Your standard production data of grade no. 4 & 5

We appreciate this universal effort and request your response, to us, by October 31, 1985.

Thank you for your time and we look forward to hearing from you very soon.

Sincerely,

Paul Huang,
Purchasing Manager
