Dear Blake,

On behalf of the Calhoun County YMCA, I want to thank you for your generous gift of $250.00 for our youth fund. As summer draws near we have many requests for assistance from the families of youngsters who need our help. Without you and others like you these children would not be able to spend their summer in wholesome Christian activities. Although you do not receive a direct benefit from your gift it provides these youngsters a chance for a fun and safe summer.

We invite you to stop by one of our many programs this summer and see the smiles your gift has given to our program. Thanks again for caring about the young people who are our future.

Sincerely,

Ken Hoffman
President

DSW 133809

MISSION STATEMENT

The YMCA of Calhoun County is an association established to serve all people: to strengthen the body, mind, and spirit through quality programs, facilities and services; to promote Christian values and to encourage individuals and families to reach their full potential in the community.
