Dear Mr. Enlow:

At the request of Mr. Dale Smith, I am attaching a booklet on Pydraul F-9, which has a section on toxicity and safe handling information.

In addition, I have attached a copy of this section which is usually sent out when the booklet is not distributed. As I understand, you wish a statement from the Medical Department so I have signed the Pydraul F-9 sheet.

If you have any further questions after reading over this, please write me directly.

Very truly yours,

R. Emmet Kelly, M. D.
Medical Director
