SUBJECT PAPER FOR PUBLICATION

REFERENCE

OCT 1 3 1972

TO : H. S. Bergen - B2SL
E. V. John - B1NC
J. E. Maurer - E1SA
W. B. Papageorge - B2NA
W. R. Richard - T3A
J. F. Stapleton - B2SA
E. P. Wheeler - A2SA

[redacted]

Attached is a paper, "The Degradation of Polychlorinated Biphenyls by Micro-Organisms;" we are attempting to expedite clearance to publish this paper in BIOCHEMICAL JOURNAL.

In order to do this, will you please deviate from the usual approval procedure to the extent that you return the "Request for Release of Publication" form with your signature to me rather than to the author handling correspondence.

I would appreciate receiving your approval by Tuesday, October 17.

C. W. Roos
