WHITES IN OIL.

OUR GUARANTEE, $1000,

Strictly Pure White Lead

IS EQUAL TO ANY BRAND OF PURE LEAD MANUFACTURED.
EVERY PACKAGE CONTAINS OUR GUARANTEE
AS SHOWN HEREWITH.

CAPITOL WHITE.

This combination white is vastly more durable than the pure carbonate. It will not "chalk off" like lead.

It will not "peel" or "scale" off like zinc.

In our experience of over 40 years, we have never found a more satisfactory paint for inside or outside use in any climate. For the seashore it has no equal in every desirable quality.

OLD TIME WHITE.

A Useful Compound White for Dealers, Painters, etc., for mixing to supply retail sales, for ordinary house work, etc. An Excellent Priming White.
