Richard,

I wanted to get back to you on CERAWeek 2018. You can tentatively count on the Administrator speaking at next year's event. With it being several months away, it's difficult for us to give a firm commitment at this time, but we have it on the calendar and can more firmly commit as the event approaches.

Please reach back out to me in January and we can likely give a firm response at that time.

Thank you and we appreciate the invitation!

Hi Millan,

It was great speaking with you earlier today. As we discussed, attached is an invitation from Dan Yergin for Scott Pruitt to speak at CERAWeek 2018, scheduled March 5-9, 2018 in Houston. I believe that Dan has already invited Administrator Pruitt to speak. The best days would be either Wednesday or Thursday, March 7 or 8. That said, we could accommodate almost any day that week. The format of his address would be the same as CERAWeek 2017.

We are excited at the prospect of Administrator Pruitt's participation at CERAWeek 2018. Thank you for the consideration. Please let us know if you need anything further at this point.

Kind regards,

Richard
