March 5, 1969

Mr. H. W. Speicher
Headquarters Industrial Hygiene
Westinghouse Electric Corporation
East Pittsburgh, Pennsylvania 15112

Dear Wilbur:

Enclosed are two copies of Joe Treon's publication on "The Toxicity of the Vapors of Aroclor 1242 and Aroclor 1254."

You will recall I mentioned these on the phone earlier today.

I do not plan at this time to send copies to the lawyer in Phoenix.

Sincerely,

Elmer P. Wheeler
Manager, Environmental Health
