Johns-Manville

Internal Correspondence

To: N. W. Hendry - 2 South

Date: April 1, 1974

From: F. J. Solon, Jr. - 4 North

Copies: File & Chrono

Subject: GENERAL MOTORS

When you return please call me re steps we should take with General Motors about sitting down with their top people to discuss their policy of removing asbestos from GM products.

You'll recall my mentioning we have a friend who's Vice President for Industrial Relations that I feel sure would be glad to assist.
