NOTE FREIGHT TERMS ABOVE

If the shipment moves between two ports by a carrier by water, the law requires that the bill of lading shall state whether it is "carrier's or shipper's weight."

Where the rate is dependent on value, shippers are required to state specifically in writing the agreed or declared value of the property.

The agreed or declared value of the property is hereby specifically stated by the shipper to be not exceeding

50 CENTS PER POUND

IMPORTANT

This product contains polychlorinated biphenyls (PCB's) which some studies have shown may be persistent, an environmental contaminant and possibly harmful to certain forms of bird, aquatic and animal life. Prevent any entry into the environment through spills, leakage, disposal, evaporation, reuse of containers or otherwise. Spills, leakages and wash products must be collected.

Do not dispose of, or allow to escape to sewers or waterways, any PCB. Avoid contact with skin. Avoid breathing vapor and mist.

Keep away from food, animal feeds, water supplies and the sea.

Keep away from fire, sparks, flames and other sources of ignition.
