you began work at the FMSI; correct?

A Yes.

Q On page 18 of Exhibit C you mention the Occupational Safety and Health Act of 1970 and that in 1971, the FMSI renewed its historical sales statistics reporting program after a ten-year suspension. Do you know why it was renewed?

A Because the members, some -- enough members wanted it that they renewed it.

Q Who proposed that it be renewed?

A I have no idea.

Q Were you at the meeting when it was proposed that it be renewed?

A It probably was at a board of directors meeting so I -- so if it happened after I came on, I was probably there.

Q Were there any scheduled organized meetings of board or members or committees of the FMSI that you would not regularly attend as secretary and executive director?

A Generally I was at every meeting of the board of directors except they put me out of the room when they were going to discuss my salary.

Q Okay. Other than that, you would be there to record these minutes and the events that occurred at the
