Dear Warren:

You are cordially invited to participate in the President's Luncheon, Monday, April 13, 1981, which I will be hosting on behalf of our Board of Directors during the Association's upcoming Ninth Annual Meeting & Industry Conference.

Participation in this special luncheon forum will be limited to senior management registrants from AACPP Regular Member companies and discussion will focus on domestic affairs. Specifically, Board Chairman Lloyd Ambler and I would welcome your views on the Association's Strategic Operational Plan. Feedback on what you do or don't like about the directions of AACPP's current effort and programs would be appropriate. Also critical comment on this year's Industry Conference program and recommendations for the future funding of special Association legal expenses would be most helpful.

Sincerely yours,

A/C PIPE PRODUCERS ASSOCIATION
