Dear Mr. Chang:

I attach copies of the product specification and handling data sheet for Aroclor 1016.

Please note that invoices, bills of lading, etc., will carry the following cautionary statement.

"IMPORTANT - This product contains POLYCHLORINATED BIPHENYLS (PCB's) which some studies have shown may be persistent, an environmental contaminant and, possibly, injurious to certain forms of bird, aquatic and animal life. Prevent any entry into the environment through spills, leakage, disposal, vaporization, re-use of containers or otherwise. Spills, leakages and waste product must be collected. Use of this product must be restricted to applications which can be controlled so that entry into the environment does not occur and to applications in which it cannot come into contact with food, animal feedstuffs or pharmaceuticals."

Sincerely,

D. Wood
