Memo To: Mr. Anthony

From: Mr. Patenaude

Subject: Asbestos Containing Roofing Products

Date: September 24, 1987

Siding and roofing products made with asbestos felts or those products containing asbestos dust in the asphalt coating are listed for Bird's Norwood plant and former Perth Amboy plant. Current coatings and cements are included as well. Two separate dates are listed to distinguish the time period asbestos was removed from a given product versus the discontinuance of the product.
