TOPICS - GE DISCUSSION

1. Toxicology:

   To what degree do we disclose data?
   Eg. leghorn chicken, shrimp, amounts of 5 and 6 in 1242 and 1248.

2. Biodegradability Studies.

3. Product Alternatives.

4. Continued manufacture of 1254/1260 for G.E.

   Can we? Will we? Effect on price?
   If discontinued, what do we say of timetable?

5. Future of 1248.

6. Scrap disposal alternatives and proposals.
