HEAT INSULATION PRODUCTS
BALDWIN-HILL
MONO-BLOCK
Effective up to 1700° F.
Covering the full range of temperatures up to 1700° F. with maximum efficiency, B-H MONO-BLOCK eliminates the need for 3 types of insulating block—one for low and one for high temperature. It is a fabled block manufactured under an exclusive patent. It is fabricated of B-H chemically stable blast recovered fibers uniformly distributed, felted and bonded together by colloidal heat flow. Easy to cut and apply, its surface conforming to irregularities such as rivet and bolt heads, small studs and welds. Made in sizes 12" and 36" long, 6" wide, 1" to 4" thick.
Send for Catalog showing complete line of insulations
