ACOUSTICAL PLASTER

****** of 9/4 from Mr. Abbey

C. G. Shuttleworth - jc

cc: Mr. C. E. Abbey - Ardmore
cc: Mr. A. L. Meyer - Ardmore
cc: Mr. R. Sikes - Ardmore
cc: Mr. H. J. Zelms - Acme

We shall send Mr. Watt to Dallas and/or Houston to observe application of the acoustical plaster for gun application when the jobs are ready.

If both jobs can be arranged within a day or so of each other, he can observe both, otherwise only one unless some unforeseen trouble develops.

In setting up these jobs, please bear in mind that the basecoat over which the acoustical plaster is to be applied, should be dry.

9/9 Please advise Mr. Watt of the schedule as soon as possible so that he can make necessary arrangements.

cc: Mr. C. E. Abbey:

As I understand it, if these two jobs work out all right, this will conclude our field development program.
