Subject: Shipments to BOMBAY

Hi Sandi,
These orders are both booked breakbulk as per your order. However, both orders would be cheaper to ship in a 20ft container. 20ft container rate is $2,308. JBMM30955 would cost around $2584 breakbulk. JBMM30984 would cost $4052 breakbulk. → 9 m/t - R103 → 10 m/T R931
Please advise asap if you would like me to change the booking. Gulfport is holding the shipment until Mon morn
Thanks,
Annemarie

****

OK Breakbulk

Per Anna - will not fit into a 20 or 40 ft cont.
