McVittie's report and did there not appear in the 1965 annals reports of asbestos-associated disease in brake lining workers in 1965?

A Well, yes. This slide is in workers called brake linings. It doesn't define whether or not it is the producers or users, but they call it brake lining workers.

Q Okay. Now, I would like to move on to another area.

Your Honor, may I have a second, I would like to ask Mr. Shellenberger a question.

THE COURT: Take two.

MR. IGNATOWSKI: Two minutes or two seconds?

THE COURT: You asked for a second. Give him an inch, and he takes a mile.

(Whereupon, pause.)

BY MR. IGNATOWSKI:

Q Doctor, I would like to move on to another area and you have about two or three more overheads I would like to ask you about, but I would like to ask
