Mr. Harlan Gray
National Lead Co.
1050 State Street
Perth Amboy, New Jersey

Dear Mr. Gray:

Our New York office has contacted me regarding your phone request to them for a quantity of the small lead warning stickers which you apply to the packages of White Lead Soft Paste in addition to the regular product label.

We have never supplied these warning stickers to National Lead in the past, although we do supply the blank and white products label. These stickers are evidently obtained from a different source and I presume that you would be able to run this down.

Yours very truly,

THE SHERWIN-WILLIAMS CO.
