Membership Roster The American Ceramic Society

This Roster is published only for the convenience of members of The American Ceramic Society. Its use as a mailing list is in violation of federal copyright.

Listings are in alphabetical order. New members received too late to be included are listed in the Addenda on page 751. A separate Roster for the National Institute of Ceramic Engineers, showing grades of membership, is on pages 753 and 755 of this issue.

These listings give the member's preferred mailing address. Where this is not his business address his company connection is shown in parentheses. Divisions and other Society affiliations are indicated in parentheses following each name, in accordance with the code given below. The absence of any such designation indicates that the member is from outside the United States or a student member, neither of whom has Division affiliation.

B—Basic Science Division
D—Design Division
G—Glass Division
L—Electronics Division
E—Ceramic-Metal Systems Division
M—Materials and Equipment Division
R—Refractories Division
S—Structural Clay Products Division
W—White Wares Division
X—No Division affiliation
F—Fellow of The American Ceramic Society
J—Junior Member
I—National Institute of Ceramic Engineers
C—Ceramic Educational Council
