B-H Color Harmony Selector makes color selection easy

The secret of Colorful Interiors—
SATIN EGGSHELL FINISH

Today, women are making every room in the home attractive with color.

And there's an easy way for you to do it yourself!

All you need are the new voguish tints of Satin Eggshell Finish for walls and woodwork with the sparkling colors of B-H Brush Lacquer for furniture and small objects. All these have been arranged on the Color Harmony Selector that automatically shows you what tints and shades to use to produce charming color effects.

Send our name and 10 cents to the Bass-Hueter Paint Co., 2240 24th St., San Francisco, attention Betty Holmes, for a Color Harmony Selector made from actual paint samples, and her color booklet. Then see us for your paints.
