Renew your floors with NITROKOTE

(the new lacquer finish)

The radiance of a bright new floor brings new cheeriness to the room—and it's so easy to clean! Apply Nitrokote for Floors yourself; it's real fun to create this lustrous new surface with your own hands. Walk on the floor half an hour afterward! And you'll be amazed at the endurance of this new finish; it yields neither to tramping feet, sliding furniture, nor kiddies' heels! Proof against oils, greases, gasoline and other liquids.

Also, Nitrokote Enamel, to give the same lasting finish to your furniture.
