Mr. M. Medgessy
Plant Technical Service
Superintendent
Monsanto Canada Ltd.
457 Reynolds Street
Oakville, Ontario

Dear Mr. Medgessy:

Thanks for your kind letter regarding your proposed trip to Europe and interest in the Ghent Laboratory operations. You should certainly make arrangements directly with Lubo Visnovsky to fulfill your mutual purposes. I am certain that Lubo will make valuable arrangements for you and that this effort will be mutually beneficial.

I wish you a pleasurable and profitable trip to Europe. Best personal regards.

Sincerely yours,

J. R. Darby
Plasticizer Research Section Mgr.
