This will confirm our telephone conversation order 30-0933 concerning incineration of your Askarel fluids.

Enclosed are 2 pre-addressed drum return labels marked "Disposal Only". The drum contents must be marked clearly on each label and every drum must be labeled.

To avoid leakage, use drums which meet DOT 17E specifications (55 gallon drums - 18 gauge steel, 2 bung heads; 5 gallon drums -24 gauge minimum). The outside of the drum must be clean, free from corrosion and bungs tighly sealed. Clean up or other costs incurred or paid for by Monsanto which relate to fluids leaking from drums will be charged to the shipper.

Please show Monsanto identification number 3437-B on the bill of lading and on each drum. The freight classification is Plastic NOI and the release value is 50¢/lb. Please ship all drums freight prepaid to:

Monsanto Industrial Chemicals Co.
Dept. 831, Incinerator
Sauget, Illinois 62201.

Incineration charges are currently 8¢/lb. with an $8.00 per drum handling charge for each drum returned. Please advise us if you want us to invoice these charges against a specific purchase order number.
