Lon McFarland
Attorney
Columbia, Tennessee

Dear Lon:

Enclosed are copies of the test results and letter from Mr. Davis which I spoke to you about on the phone.

I have called Gene Dally in Atlanta for the test results on the Robin Paxson job that we did last year, and to this date we have received no information from Dally nor Paxson. We would like very much to settle this account.

Please let us hear from you.

Sincerely yours,

MONTEAGLE SILO CO., INC.
