

# FOSECO, INC.

INTER-COMPANY AND INTER-DEPARTMENTAL CORRESPONDENCE

TO: See Distribution

FROM: G. H. FitzGerald - Quality Control - SMPD

DATE: June 4, 1973

SUBJECT: Future Activities in No-Asbestos Development Program

| Date | Machine | Activity |
|---|---|---|
| 6/4/73 | "B" (Corrugated) | EP 5290 #685E Copperweld |
| 6/11/73 | "K" (Mark III) | Experimental PROFLEX recipe Republic Warren #571 |
| 6/11/73 | "G" (Mark III) | 78 x 64 mesh belt screen EP 5290, #699J. Evaluation of effects of finer screen. |

Notes:

1. If finer screen (78 x 64) shows favorable results, R&D will request Tooling to consider rescreening # 685 K-4 tools for further testing of EP 5290 on the K-4 machine.

2. Future development of Seal-On ring recipe will be predicated on experimental PROFLEX recipe test results.

3. Still waiting for results of Middletown boards test. Boards shipped 5/24/73.
