Monsanto

FROM (NAME & LOCATION) D. B. Hosmer - E1SF General Offices

DATE : May 19, 1976

SUBJECT : PROPOSED TOUR OF DELAWARE RIVER PLANT

REFERENCE :

TO : G. F. Barton - B1ND

cc:

S. A. Heininger	B3NA
J. E. Smith	B3NA
E. P. Janssen	1290
W. R. Corey	B2SA
✓D. R. Bishop	B1ND

The Delaware River Plant represents one of MIC's best on the East Coast. Therefore, we would endorse including this plant in Mr. Train's itinerary. If there is a desire to have an EP&U employee present during Mr. Train's visit, we would be pleased to cooperate.
