Hello Sarah,

Would you suggest anywhere that is somewhat close to the Loews New Orleans Hotel? I've copied our Advance team on this message and they can clarify the area we'll be in at that time.

Thank you!

Hey Hayley,

Just wanted to touch base for Friday. Where should General Landry meet Admin Pruitt for coffee at 10?

Hi Sarah,

Actually, we just looked at timing that day, and we could do a one-on-one coffee between the two of them around 10AM if that worked for AG Landry. We can figure out location a little closer if that's ok but likely somewhere close to the Loews Hotel.

Let me know. Thank you!

Hey Hayley,

Thanks for your email. Yes, General Landry would love to join Admin Pruitt at the breakfast. Please send details as they come about. Thanks so much!

Sarah

Hi Sarah,

Regarding your offer of dinner with AG Landry on Thurs, Oct 26, we had actually already organized a separate personal dinner for him that evening. However, we are organizing breakfast the morning of Fri, Oct 27 before the speaking engagement and we would be happy to have AG Landry attend if he would like. It is more of an event, with several area CEOs and industry representatives. We don't yet have a firm location, but I can share details with you as they develop this week. Would that work? If not, we're happy to have the Administrator meet AG Landry for coffee in between events or before the breakfast event.

Let me know your thoughts. Thank you!

Awesome! Just let me know about dinner. Yes, you can have them contact Joe Picone at 225-439-8077 or at PiconeJ@ag.louisiana.gov. Thanks, Hayley.

Hi Sarah,

I've been talking back and forth with Lisa Pullizzano today from LCA so perfect timing! She has already secured Administrator Pruitt a hotel room so we're all set there.

Regarding dinner, let me check on his plans and get back to you soon.

Regarding security detail, we absolutely appreciate the offer. I know Administrator Pruitt's detail will be with him regardless, but I'm sure they'd appreciate the coordination as they do their Advance work. Do you have a POC that the Administrator's team can reach out to, as they plan for this trip?

Thank you and we look forward to it!

Hey Hayley,

I'm sorry, I was misinformed. And yes, you are correct, Administrator Pruitt will be speaking at 11:15. I will be securing rooms at the Loew's Hotel in New Orleans where the conference is taking place. Would you like for me to book a room for the Administrator as well?

Also, General Landry would like to have dinner the evening before with Administrator Pruitt and a small group of 2-3 others (not an event, just dinner). Would a late evening dinner work for him around 8/8:30pm?

Lastly, our security team is ready to handle his detail from the moment of arrival at the airport until his departure. Please let me know if I can connect our security guys to get that set up as well.

Thanks so much!
Sarah

Hi Sarah,

I apologize for the delay, but I wanted to check on a few things before responding to you. First of all, I'd been working with Greg Bowser on the Administrator speaking at the Louisiana Chemical Association and Industry Alliance per our below emails. We had confirmed an 11:15AM keynote at that event. Therefore, I'm confused by your below mention of 9AM. We will be flying in the evening before and another staff member was scheduling a breakfast for that morning before the keynote, but I'm not sure who was attending that event. It's possible that's what you're referring to. Do you mind clarifying? We just have a few people on our end scheduling different events for the trip so want to be sure I'm not mixing anything up.

Thank you!

Hi Hayley,

Hope you're doing well. Trying to figure out some logistics for Administrator Pruitt's trip to Louisiana. I know that he is speaking on Friday the 27th around 9:00am. Do you know if he plans to fly in the evening before or that morning? Thanks so much!

Sarah
