Subject ~~SAFETY - VERMONT - H.R. 8989 FEDERAL MINE SAFETY BILL~~

I am enclosing a copy of a letter from the National Crushed Stone Association regarding the pending Federal Metal and Nonmetallic Mine Safety Bill #H.R. 8989, along with amendments, etc., concerning this bill.

The statement made in paragraph 2 of this letter sums up my feelings regarding this issue, however, before pursuing the matter any further I would like an expression from you on the Company's position.

I do not know either of our Senators or Congressman personally, however, I would be glad to write them a letter if you think it would be advisable.

I. E. Matthews
