Mr. Gene Matteucci
Vice President, Secretary and Chief Counsel
Nevada Power Company
P. O. Box 230
Las Vegas, Nevada 89151

Dear Mr. Matteucci,

This will confirm that Arthur E. Pearson of 1801 Chapman Drive, Las Vegas, Nevada 89104 is a patient of mine, and that he has serious medical problems.

I am now conducting a series of diagnostic studies for his most recent problem. Mr. Pearson is under considerable mental stress and a high degree of anxiety.

Sincerely yours,

Robert W. Clark, M.D.
