Q. To the best of your knowledge, are the contents of the Asbestos Study Committee folders true and correct copies of all correspondence sent to or received from the members of that Committee?

A. Yes.

Q. Again, do you have any reason to believe that the contents of any of those folders have been altered in any way?

A. No.

Q. So that as we look through those today and the marked copies, we can be assured that those are the official records of the Asbestos Study Committee as kept by you, is that correct?

A. Yes, but they are correspondence to them not the records of the Committee. They include other things.

The answer to your question, yes.

Q. Other than the folders we have discussed today, are there other records of the Asbestos Study Committee?

A. No.

Q. You have produced, then, today, for our inspection, every piece of paper that has to do
