Dear Scott,

I hope all is well and thank you again for meeting with me for dinner.

I do lunch last week, I suggested to Lisa Nelson that you be a speaker at ALEC's forthcoming December meeting, but Lisa beat me to the punch so to speak. I am so glad that you will be speaking at the ALEC Meeting and maybe if there is a minute you might stop by our Civil Justice Task Force. I think would be interesting if you and I could have an open discussion about the reverse impact on tort law caused by deregulation, namely "regulation through litigation" where courts feel that if the official agencies do not act, they should by changing the tort law.. Guards must be up to stop that practice

I am writing because when we met , I mentioned (b) (6) [redacted] 's background is attached).

I think you would enjoy meeting (b) (6) [redacted] and if you did you might have thoughts about where (b) (6) [redacted] talents could be used best in this Administration.

With care and an appreciation for your time and thought, your friend Victor
