In April of 2004 we flew to Cheyenne as Chairman of Friends of the Northern Yellowstone Elk Herd & Montana House Rep. Chair of the Montana House Judiciary Committee & Agriculture Committee, Diane Rice and retained Karen Budd -Falen.
By 2007 the Montana House voted to give Karen Budd Falen $200,000 by a super majority to sue over wolves.

By then the Fed's knew that we were serious as a heart attack.

Suing over water is the natural progression in defending Rural America, the Forgotten Man and private property against the Deep State.
