They look great Eric. I am sure you will have the opportunity to get more great pictures tomorrow.

Hi all,

There are some b-roll photos from Gully Branch Tree Farm at link below

Tomorrow's photos will go in the same place. Cell coverage is poor at the site, it will take a few minutes for me to get to a signal after event wraps up. Pics should be up by 1400 hours.

Ryan should have the link set up on Multimedia's Events page in the morning. That link is below my signature.

If someone could check the link and reply to me I'd appreciate it.
