1. What are our/their rights under the contract?

   a. Who is the Project Director (Northwestern, Wallace, others)?

   b. What rights do the co-investigators have? Can they publish without the Project Director?

   a. Have they fulfilled the contract?

   b. What rights do we have to the data?

2. Review of papers for publications - currently we have a "gentlemen's" agreement that we get to review document along with review committee before submittal for publication. Also the investigators must help us with employee communication.

Agenda for Northwestern Study Review

- Review of past history
- Agreement with study team
- Review committee for study reports
- Contract with Northwestern
- Action items

1. Study began in 1985 and was completed in May 1987.
    a. draft report in 1989
    b. plant communication in 1989
    c. second report (pentachlorophenol department) 1994
    d. third "report" sep 1995
    e. to date no publications

2. Several meetings on issues - we went there displeased with lack of results, naive analyses/interpretations, and tried to get copy of data. Agreed no results published without prior review by review committee, our review and employee communication. No agreement on copy of data.

3. Review committee (Fingerhut/Sweeney, Monson, Lathrop, Cullen)

4. Contract
    Project director = Warren Wallace
    Data collected under sole control of project director
    Project director and co-investigators sole right of publication
    contract with Northwestern==study team at Univ. of Illinois

5. Action plans - a) do nothing and nothing will get done; b) reconstitute review committee and oversee from afar;c)Get data and have own analyses. Damage Control

a) Meet at high level w/ ~~[illegible]~~ University
1) Spend a lot
2) got nothing
3) How are we going to fix this?
